Designed to be on display Brazelle is a new luxury jewelled lingerie accessory, and über alternative to bra-straps. These versatile and stylish silk straps feature Swarovski crystals and Murano glass and can be teamed with any strapless bra, bustiers or dresses.

They are perfect under summer dresses and strappy tops, adding glamour to every outfit.

The straps also come with their own neutral strapless bra and you can choose from wired or under-wired, padded or non-padded.

Prices range from £147 - £287 for the Brazelle luxury line.

The diffusion range, B by Brazelle, will available in April '10 costing under £45 which includes the bra!

Available online at Brazelle.
